

MOUNT PLEASANT HIGH SCHOOL MUSIC DEPARTMENT

The music department of Mount Pleasant High School consists of over ten performing ensembles including two concert bands, jazz band, marching band, two mixed choirs, women's choir, show choir, and several small ensembles. These ensembles perform many times throughout the school year, including concerts in October, December, February, and May. In the past several years they have performed at other Brandywine School District schools, nursing homes, Rotary Club meetings, the Rockwood holiday open house, and many other locations.

The students of the music department would like to ask your help in supporting them. Each year, in addition to its many concerts, the music department travels to a music festival to represent our school, community, and state. The traveling ensembles have performed wonderfully in the past, consistently earning ratings of excellent or superior. The cost of these trips are quite high, and each student is responsible for raising funds to cover their individual trip expenses.

You can help by becoming a Business Patron of the MPHS Music Department. By contributing to the student of your choice, you help make MPHS music what it is.

As a thank you for your support your \$25 donation, we will list your business name or website address in a list of "Business Patrons" listed in each concert program during the 2017-2018 school year. Additionally, **you will also receive two passes allowing free admission to every concert this school year** (a \$20 value).

Forms must be received by October 31, 2017.
