
MATERIAL LUST

The GEOMETRY IS GOD line is driven by a fascination with Pagan and Alchemical symbolism and ancient geometries. With this series, we have attempted to reinterpret these markings without losing the potency of their primary aesthetic. The goal is to make furniture that is symbolically dense, and as a result the collection could be described as functional sculpture.

Khnum Sconce Single, 2015

Shown in plated brushed brass.

Measures: 21" H x 8 1/2" W x 4 1/2" D.
