# MATERIAL LUST

The GEOMETRY IS GOD line is driven by a fascination with Pagan and Alchemical symbolism and ancient geometries. With this series, we have attempted to reinterpret these markings without losing the potency of their primary aesthetic. The goal is to make furniture that is symbolically dense, and as a result the collection could be described as functional sculpture.

Pagan Candelabra, 2015

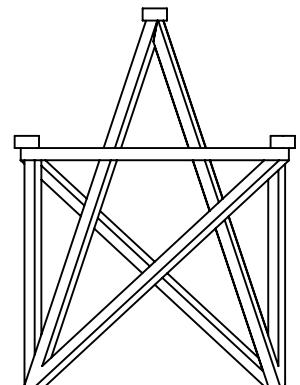

Shown in brushed brass.

Holds five 1" taper candles.

Measures: 16" H x 11" W x 11" D.

Additional finishes available: Blackened brass and raw steel.

Made to order. Lead time 8-12 weeks.
