12 Yards COM (7 Yards COM w/o pleats)

119 SF COL w/o pleats.

Made to order. Lead time 8-12 weeks.

Separating from the angularity that defined much of their early work, Material Lust's upholstery collection marries traditional production methods with rounded, Surrealist shapes. Comprised of an oxblood sofa and bone-colored chair, these highly tailored pieces are both atypical and exceedingly adaptable, designed to envelop the body in forms at once soft and substantial, feminine and forceful.
