

Highgate Allotments Waiting List at 26 August 2017

Your Waiting List Number is given to you when you apply to join the Waiting List and remains with you after that. When your number reaches the top of the list, you will be the next applicant to be offered a plot - rather like a deli queue ticket. The bigger your number, the farther down the list you are and the longer you will have to wait! "Deferred" means the applicant has asked to delay starting (i.e. to be pushed farther down the list) - you can ask to defer, but only once. This list will be updated about once a month.
