

# COMMUNITY SCHOOL HELPERS

To our School Families:

Here are a few easy ways to help raise funds for our school each time you shop. We have put together a “how to” list for a quick glance at each store. We hope to add to this list throughout the year. Please let us know if you have other suggestions. We appreciate your support! Our school has 2 zip codes and can be listed under either one: 98801 or 98807

## **OFFICE DEPOT**

At the checkout counter, ask the clerk to credit your purchase to St. Paul’s Lutheran School. We then receive back a percentage of your purchases on an Office Depot Gift Card, which we use to buy office supplies.

## **FRED MEYER**

You can designate a school from the Fred Meyer website for your rewards card membership to receive funds.

## **BOX TOP FOR EDUCATION**

We collect Box Top for Education Coupons. Please bring them to either school office. **These coupons do have expirations dates**, and we can only submit them in October and February of each year.

You may also register at [www.boxtops4education.com](http://www.boxtops4education.com). Your registration will give St. Paul’s points and will also give you access to special promotions for you and the school, as well as coupons for your favorite products and fun recipes.

## **INK CARTRIDGES**

Please turn in your used printer ink and toner cartridges to the school or church office. We will recycle them and the school earns rewards for school and office supplies.

## **AMAZON SMILE**

You can designate a school to receive funds through your Amazon.com account.

## **RED ROBIN**

If you have a Red Robin rewards account, you can designate a school to receive funds from their website.
