

# Editable Invitation/Card Template Instructions

Please read the following instructions and information before printing

## Paper:

Cards are formatted to print on 8.5" x 11" regular letter sized paper. The pages can be printed on card stock or any heavy weight paper of your choice. Colored paper is not recommended as it may change the appearance of the graphics.

## Editing:

Use Adobe Reader to edit the text before printing. Simply change the sample text to your text in the highlighted fields. Please note that the font will be formatted as shown, you will be able to edit the sample text but the style of the font and the color are pre-determined and cannot be changed. The text can also be deleted and printed blank if preferred. If you want to save your PDF invitation after changing the text you must have Adobe Reader version 8 or higher. Older versions will allow you to edit the text for immediate printing but will not allow you to save your edits for later. The latest version of Adobe Reader is available for free at [www.Adobe.com](http://www.Adobe.com).

## Troubleshooting:

Does the font appear different than expected? It could be your system displaying a default font rather than the one embedded in the file. In adobe reader go to Edit>Preferences>Page Display>Make sure "use local fonts" is checked under rendering.

## Printing:

Most cards can be printed single or double sided. Included is a coordinating patterned or solid page that can be used if you would like to print your invitations double sided. Print them at home or an office print store such as Office Depot, Staples, or Kinkos. The final color of your printed product may vary depending on the calibration of your monitor and your printer ink settings, etc.

\*Printing a sample first is highly recommended.

## Trim to Size:

Once printed trim to size using scissors or a paper cutter.

## Envelopes:

Cards work great alone or you can purchase envelopes made especially for your cards at any craft or office supply store to mail and distribute your new invitations.
