

TESLA POWERWALL LIMITED WARRANTY (AUSTRALIA AND NEW ZEALAND)

Effective Date: June 21, 2016

Applies to: 6.4kWh Powerwall with part numbers 1067000-00-B, 1067000-00-C, 1067000-00-E, 1067000-01-E

Ten Year Limited Warranty

Tesla Motors Netherlands B.V. warrants that your Powerwall will be free from defects for ten years following the date it was installed for the first time. If you only use your Powerwall for self-consumption of solar energy generated by an onsite array and for storing that solar energy for use as backup power, there is no limit on the number of times that you can cycle your battery in this ten year period.

Note that this Limited Warranty (including its duration) is subject to a number of important exclusions and limitations, as well as certain conditions being met. These are set out in detail below.

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE FURTHER LEGAL RIGHTS AND REMEDIES UNDER LOCAL LAWS IN YOUR COUNTRY. THE TERMS OF THIS LIMITED WARRANTY WILL APPLY TO THE EXTENT PERMITTED BY APPLICABLE LAW. PLEASE SEE THE DISCLOSURES RELATING TO YOUR COUNTRY IN THE APPENDIX TO THIS WARRANTY. FOR A FULL DESCRIPTION OF YOUR LEGAL RIGHTS YOU SHOULD REFER TO THE LAWS APPLICABLE IN YOUR COUNTRY.

Remedies

If your Powerwall fails to comply with the above Limited Warranty, Tesla will, in its sole discretion, either repair your Powerwall, replace your Powerwall with an equivalent product, or refund you the market price of an equivalent product at the time of the warranty claim. A Powerwall presented for repair may be replaced by a refurbished Powerwall of the same type rather than being repaired. Refurbished parts may be used to repair your Powerwall. If your Powerwall is repaired or replaced under this Limited Warranty, the remainder of the original warranty period will apply to the repaired or replacement product, subject to any rights and remedies you have under local laws in your country or region in respect of the repaired or replacement product.

What Products Are Covered?

This Limited Warranty applies to any Tesla Powerwall that (1) was purchased from Tesla or a Tesla Authorized Reseller in Australia or New Zealand; (2) has one of the part numbers referenced above; and (3) is installed in Australia or New Zealand. Please contact Tesla if you have any concerns regarding whether you purchased your Powerwall from a Tesla Authorized Reseller.

Who Can Make a Claim?

Limited Warranty claims can be made by or on behalf of the end user who acquired and put the Powerwall into use for the first time. A subsequent owner of the Powerwall who provides proof of ownership is also entitled to make Limited Warranty claims.

Limitations and Disclaimer

TO THE GREATEST EXTENT PERMITTED BY LAW, THIS LIMITED WARRANTY IS THE ONLY EXPRESS WARRANTY MADE IN CONNECTION WITH YOUR POWERWALL. Any other warranties, remedies and conditions, whether oral, written, statutory, express or implied (including any warranties of merchantability and fitness for purpose, and any warranties against latent or hidden defects) are expressly disclaimed. If such warranties cannot be disclaimed, to the extent permitted by law, Tesla limits the duration of and remedies for such warranties to the durations and remedies described in this Limited Warranty.

Some countries do not allow disclaimers of implied warranties or limitations on how long an implied warranty lasts, meaning the above disclaimers and limitations may not apply to you.

General Exclusions

This Limited Warranty does not apply to any defect resulting from any of the following, each of which may result in your Limited Warranty being voided: (i) abuse, misuse or negligence, (ii) accidents or force majeure events, including but not limited to lightning, flood, earthquake, fire, extreme cold weather, or other events outside the reasonable control of Tesla; (iii) storage, installation, commissioning, modification or repair of your Powerwall, or opening of the external casing of your Powerwall, that is performed by anyone other than Tesla or a Tesla-certified installer; (iv) failure to operate or maintain your Powerwall in accordance with the Installation and User Manual; (v) any attempt to modify your Powerwall, whether by physical means, programming or otherwise, without the express written consent of Tesla; or (vi) removal and reinstallation of your Powerwall at a location other than the original installation location, without the express written consent of Tesla.

In addition, this Limited Warranty does not cover (a) normal degradation of your Powerwall's energy capacity over time; (b) normal wear and tear or deterioration, or superficial defects, dents or marks that do not impact the performance of your Powerwall; (c) noise or vibration that is not excessive or uncharacteristic and does not impact your Powerwall's performance; (d) damage or deterioration that occurs after the expiration or voiding of the warranty period; or (e) theft of your Powerwall or any of its components.

Exclusion for Failure to Connect to the Internet or Failure to Register Your Powerwall

In order to provide this Limited Warranty for the full ten year warranty period, Tesla requires the ability to update your Powerwall through remote firmware upgrades. Installation of these remote upgrades may interrupt the operation of your Powerwall for a short period. By installing your Powerwall and connecting it to the internet, you consent to Tesla updating your Powerwall through these remote upgrades from time to time, without further notice to you. If your Powerwall is not connected to the internet for an extended period, or has not been registered with Tesla, we may not be able to provide important remote firmware upgrades. In these circumstances, we may not be able to honor the full ten year warranty. We would prefer to avoid this, so will try to notify you if your Powerwall's internet connection is interrupted for an

extended period. It is difficult for us to contact you if you have not registered your Powerwall with us, so **please register your Powerwall with Tesla at the website identified below**. Even if we can't honor the full ten year warranty for the above reasons, we will always honor the warranty for at least four years following the date your Powerwall was installed for the first time.

Modifications and Waivers

No person or entity, including a Tesla employee or authorized representative, can modify or waive any part of this Limited Warranty. Tesla may occasionally offer to pay some or all of the cost of certain repairs that are not covered by this Limited Warranty, either for specific Powerwall models or on an ad hoc, case-by-case basis. Tesla reserves the right to do the above at any time without incurring any obligation to make a similar payment to other Powerwall owners.

Limitation of Liability

TO THE GREATEST EXTENT PERMITTED BY LAW, TESLA SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THIS LIMITED WARRANTY, REGARDLESS OF THE FORM OF ACTION AND REGARDLESS OF WHETHER TESLA HAS BEEN INFORMED OF, OR OTHERWISE MIGHT HAVE ANTICIPATED, THE POSSIBILITY OF SUCH DAMAGES. TO THE GREATEST EXTENT PERMITTED BY LAW, TESLA'S LIABILITY ARISING OUT OF A CLAIM UNDER THIS LIMITED WARRANTY SHALL NOT EXCEED THE AMOUNT YOU PAID FOR YOUR POWERWALL. SOME COUNTRIES AND REGIONS DO NOT ALLOW, OR RESTRICT, THE EXCLUSION OR LIMITATION OF DAMAGES, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU, OR MAY ONLY APPLY TO A LIMITED EXTENT.

Limitation on Use

YOUR POWERWALL IS NOT INTENDED FOR USE AS A PRIMARY OR BACK-UP POWER SOURCE FOR LIFE-SUPPORT SYSTEMS, OTHER MEDICAL EQUIPMENT, OR ANY OTHER USE WHERE PRODUCT FAILURE COULD LEAD TO INJURY TO PERSONS OR LOSS OF LIFE OR CATASTROPHIC PROPERTY DAMAGE. TO THE EXTENT PERMITTED BY LAW, TESLA DISCLAIMS ANY AND ALL LIABILITY ARISING OUT OF ANY SUCH USE OF YOUR POWERWALL. FURTHER, TESLA RESERVES THE RIGHT TO REFUSE TO SERVICE ANY POWERWALL USED FOR THESE PURPOSES AND DISCLAIMS ANY AND ALL LIABILITY ARISING OUT OF TESLA'S SERVICE OR REFUSAL TO SERVICE YOUR POWERWALL IN SUCH CIRCUMSTANCES.

Governing Law

This Limited Warranty and any dispute or claim arising out of or in connection with it (including non-contractual disputes or claims) is governed by and construed in accordance with the laws of the country or (if applicable) state or province where your Powerwall was first installed. If any provision of this Limited Warranty is held by a court of competent jurisdiction to be unenforceable because it is invalid or in conflict with any law of any relevant jurisdiction, the validity of the remaining provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the unenforceable provisions were replaced by valid, legal and enforceable provisions that come closest to Tesla's intention underlying the

invalid or unenforceable provision. The United Nations Conventions on Contracts for the International Sale of Goods (1980) shall not apply to this Limited Warranty or any aspect of any dispute relating to this Limited Warranty.

Claims Process

In order to make a claim under this Limited Warranty, please contact the Tesla Authorized Reseller who sold you your Powerwall. If you are unable to contact the Tesla Authorized Reseller who sold you your Powerwall, or if you purchased your Powerwall directly from Tesla, you should contact Tesla at the address, email address or telephone numbers identified below. For a warranty claim to be processed, it must include (i) proof of the original purchase of your Powerwall and any subsequent transfers of ownership, (ii) a description of the alleged defect(s), and (iii) your Powerwall's serial number and original installation date. Prior to returning any Product to Tesla, an RMA (Return Merchandise Authorization) number is required.
