Payment for:

member, 800 Baht

Application fee of 800 baht is based on calendar year. There will be no pro-rata calculation, regardless on the date of joining. All monies collected are used to fund club activities and charities work. The EXCO serving the club are no-salaried volunteers who enjoyed "returning back " to society

Do note that your application fee of 800 baht is based on per calendar year. If you join in mid-year, the fee is still 800 baht this year (with the next payable fee in January next year). We do not do pro-rata calculations because we are all busy corporate citizens helping in the club during our spare time. Please understand.
