Bethany Lutheran School Mission Statement

Bethany Lutheran School (as an outreach of Bethany Lutheran Church) exists to:

- bring children and their families to a saving relationship with Christ
- equip them to live their faith and share the love of Jesus Christ
- nurture each child's unique gifts by the power of the Holy Spirit
- provide an innovative environment of academic excellence

Bethany Lutheran School Vision Statement

Bethany Lutheran School provides an environment of academic excellence and Christ-centered education, sending well-equipped and empowered Christian disciples to serve in God's world.

Bethany Lutheran School Philosophy

Jesus said, "I have come so that they may have life, and have it to the full." John 10:10

The Christian life is one that is enriched through Christ's love and the gift of eternal life He won for us through His death and resurrection. The relationship God offers us by grace is modeled and practiced daily.

Because we sin, forgiveness is treasured, practiced, and taught.

Bethany Lutheran School immerses children in a Christian environment which gives the children and staff the opportunity to put this faith into practice. This is accomplished through religion lessons, daily devotions, and worship experiences integrated throughout the curriculum.

Our goal is to educate the whole child by providing experiences to grow spiritually, intellectually, physically, socially, and emotionally. We look forward to working side-by-side with parents in developing their children's unique gifts and in meeting their individual needs.

Dear Bethany Families, Friends and Supporters,

On a daily basis Bethany Lutheran School is blessed to reach hundreds of students, preschool through eighth grade, with the saving Gospel message of Jesus Christ. As we enter our 17th year of our elementary school, it is with heartfelt joy that I welcome you to tonight's auction. We would like to thank you for spending the evening with us, generously furthering your support for BLS.

As a school we have been blessed with a fantastic teaching staff, extremely supportive families and a positive atmosphere that is noticeable to all who spend time in our school. God is truly active in this place and it is exciting to plan for future growth and outreach into our community!

It is my prayer that you enjoy your time this evening. What a fun-filled way to support our school. May God richly bless our evening!

In Christ,

A handwritten signature in black ink that reads "Sharon Fries". The signature is written in a cursive, flowing style.

General Auction Rules

1. You must register at the door and receive a bid card and bidder number to be considered a valid bidder. Any bids placed by a non-registered bidder will be considered null and void and the next valid bidder will be the winner.
2. The winning bidder may pay for their items after the cashier has opened. We expect this to be around 8:30 PM. Please be patient as it takes time to enter items. You may pay with cash, checks or you may pay with your Visa or MasterCard. Payment in full is mandatory October 15, 2016.
3. All sales are final, and there will be no exchange or refund of items sold.
4. Items may be removed from the building only by exhibiting a paid receipt at the table where your item is located and signing for it at time of pick up.
5. Values set forth for items being auctioned are not warranted by Bethany Lutheran School for tax purposes or for general value.
6. Unless otherwise specified, all auction services should be used within a 12-month time period.
7. All items sold during the auction **MUST BE REMOVED** from the premises the evening of October 15, 2016.

Silent Auction Rules

1. Each item in the silent auction has a bid sheet nearby with a matching number on it. If you wish to bid on an item, print your bid number and bid amount on the bid sheet. Please print your number and amount clearly! Do not put your name on the bid sheet. We will determine the winning bidder by the last legible bid number/value. It is critical that you take the time to print your bid and bidder number legibly so as not to risk losing the item.
2. Use only the bid number assigned to you.
3. If there is an item you really want, you may write your bid number on the highest bid amount you are willing to pay on your first bid, if desired. However, you can bid as many times as you like on any item!
4. Each new bid must be written in pen on the next blank line available on the bid sheet. Pens are available on the silent auction item tables.
5. The silent auction tables will be open for bidding beginning at 5:00 PM. These tables will be closed individually. You will receive a five-minute warning before tables close.

6. At the time when each section closes, no more bids will be accepted, and the highest bidder for each item will be recorded and will be declared the winner of that item. Each bidder is responsible for his or her own ability to write legibly so the correct winner can be determined. The auction steering committee has the final decision in determining the winner of a disputed item.
7. Under no circumstances may the item or the bid sheet be removed from the table before that table is closed to bidding.

Live Auction Rules

1. The live auction will begin at approximately 7:15 PM and will continue until all items have been auctioned.
2. Live auction bids will be made by raising your bid number above your head at the appropriate time and becomes valid when recognized by the Auctioneer. Bidding is only closed by the auctioneer.
3. Successful bidders' names and bid numbers will be recorded by the floor attendants.
4. All decisions of the auctioneer are final.

Suggestions for Bidding Groups

Bidding groups are helpful and should be formed for some of the auction packages. By bidding groups, we are referring to a group, from two or more different families, who have planned together to pool resources and bid on certain items. These types of items are mainly, but not exclusive to, dinners, sporting events, trips, etc. Within the group, decide how much each person or family is willing to contribute and who will bid on the item that night. During the auction, when that item is called by the auctioneer, the group's head bidder does his/her job. Hopefully, your group will win, but part of the fun is when bidding battles begin between groups!

At checkout, please have the head bidder pay for the item and be in charge of picking it up from the table. Thanks and have fun!

Check-out Procedure

1. Live auction items may be paid for about fifteen minutes after the live auction has ended. Please have your bidder number with you and proceed to the payment table. You will then be given a copy of your invoice showing your live, silent, drink and all other miscellaneous purchase amounts.
2. You will then proceed to the appropriate payment station. There will be separate lines for cash/check or credit card. If paying by check, make payable to Bethany Lutheran and write "auction" in the note line. In order to keep our costs down, we are only accepting Visa and MasterCard. Thank you for your understanding.
3. Once you have paid for your item(s), you will receive a copy of the invoice marked "paid."
4. After you receive your paid receipt you may proceed to the tables displaying your items. Please check your item closely to make sure you have the correct item.

Receipts for Tax Purposes

Charitable organizations, such as Bethany Lutheran Church & School, are required to inform donors who make contributions for which they receive a benefit, or quid pro quo contributions, in excess of \$75 by a written statement that contributions are only deductible to the extent that they exceed the fair market value of any goods or services received by the taxpayer in exchange for the contribution. This program provides a good faith estimate of the value of the item or service purchased at the Bethany Day School Auction. Please keep a copy of your bid sheets marked paid and this will serve as your record of purchase for tax purposes. This receipt will have the auction item number, description, the donor's determined value and the bid amount paid. Your auction catalog will also provide a detailed item description and value. Please consult your tax advisor for further information.

Disclaimer of Liability

In consideration of the purchase of an item (whether product or service) at the auction, the purchase of such item hereby releases Bethany Lutheran Day School and its respective trustees, directors, officers, employees, and agents including auctioneer and master of ceremonies, from any and all claims, demands, losses, expenses, damages and defect or failure in such item or service. All auction items are offered for purchase “as is” and Bethany Lutheran Day School makes no warranties of any kind, express or implied, and specifically disclaims the implied warranties of merchantability and of fitness for a particular purpose. Bethany Lutheran Day School disclaims any obligation of liability for the use of any products or services, loss of use, inconvenience, commercial loss or any other direct, indirect, consequential, special or incidental damages as a result of such product or service or the use or sale thereof.

Thanks for your support!
