

KS1 Reading & Phonics Scheme

Reading Scheme – Book Bands

We use Book Banding, which is a national system that grades children's reading books according to the text. Each level of books is given a colour.

At Carr Hill, we have books from different reading schemes within each book band, so our children can have access to the variety they need, whilst still being supported by the right reading level.

Phonics

Our school uses the 'Letters and Sounds' scheme for phonics. When the children have completed 'Letters and Sounds', they move onto the 'No Nonsense Spelling Scheme', which runs from Y2-Y6.
