WELCOME

Good morning! Welcome to TBC.

"Join the circle!" was the cry. The square dance was about to start, and I was hanging back. "It's easy to learn—just join the circle!" So I did. Turns out they were right. It was fun.

If you get together regularly with the same people—over food or coffee, to play games or talk about life—then you have a "circle of friends." But whether you do or don't, whether you're friend-rich or lonely, this morning's stop on Route 66 invites you into the best circle of friends there is—the circle of "Jesus & friends." Let me introduce you to 1 John.
