SUMMIT BANK & TRUST

Summit Bank & Trust is a community bank and subsidiary of Heartland Financial USA, Inc. As a 6 billion dollar financial services company the organization is dedicated to community involvement and local decision making.

LARKRIDGE LOCATION

Located near major retailers in the vibrant outdoor Larkridge Shopping Center, the Summit Bank Larkridge project is designed to accommodate multiple customers with various indoor and outdoor teller windows, pneumatic tube stations, ATM lanes, and a by-pass lane. The design of the building fits in with the surrounding Larkridge materials but has variations integrated into the design in order to create easy street identification for customers driving by.
