COVID-19 Update:

Face coverings are required upon entry to any Tucson Convention Center facilities

Concerts and Events

Change is what it takes to be back in business, and our upcoming concerts have implemented protocols to ensure you feel safe when you attend a concert at one of our TCC venues. Please check the event page to hear about specific concert/event protocols.

COVID-19 Update

In response to a persistent surge of COVID-19 cases and deaths in Pima County, on December 21, 2021, Pima County Board of Supervisors passed Resolution 2021-87 which requires everyone in the County to wear a face covering indoors when six feet of physical distancing cannot be maintained. Resolution 2021-87 will remain in effect until February 28, 2022.

The health and safety of our guests and employees are our top priority. Through public health organizations such as the Center for Disease Control (CDC) and World Health Organization (WHO), Pima County Health Department and City of Tucson, we are staying abreast of the latest updates and developments as they occur. Any actions we take will be consistent with guidelines from these agencies and our local health department officials.
