Control Your Home From Anywhere

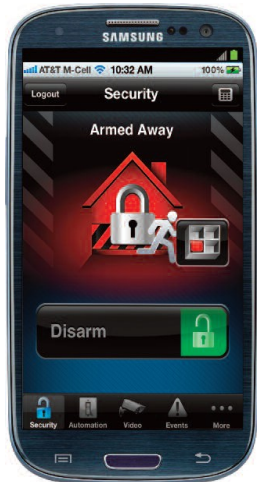

With Honeywell Total Connect Remote Services, you can:

- Stay connected and in control of your home or business whenever you want, wherever you are.
- Control your security system, receive important alerts and true system status in real-time.
- Z-Wave enabled thermostats, lighting, locks, and more on the same mobile devices you use each and every day.
- View live video and remotely control.

Remote Security

- Remotely arm, disarm, or check the status of your security system.
- Intuitive prompts and graphic icons make operation a snap.
- Access up to 100 locations with one login.
- Multiple account capability. Great for vacation homes or franchises.
- Modern graphics and icons match Honeywell's graphic touchscreens

Event Notification

Receive email alerts:

- When the security system has been armed or disarmed.
- When your child arrives home from school or if they don't arrive home by a certain time.
- When doors to restricted or hazardous areas have been opened.
- When a flood or extreme temperature change is detected.
- If motion is sensed in a protected area or a valuable object is moved.

Automation and Energy Management

When combined with A-Wave enabled devices, Honeywell Total Connect Remote Services can help you save money and enjoy a safer, more comfortable lifestyle. You can even set scenes and schedules for energy savings ambience, and convenience. It's a great way to turn your smartphone into a smart home or business.
