The journey

"Life is the journey, not the destination."

Our designs are created from authentic nautical charts and maps and are customized to your special location.

Imagery can be focused on a specific area like the downtown of a city, or can expand to showcase an entire country(s).

All stitched items are hand-crafted in Massachusetts.

Items are available for individual customization, wholesale, and large quantities. Additional customization such as logo placement or an event title is available on all products.

Lead time: 2-3 weeks contingent on the time of year.
Rush orders available upon request.
