Hello Joy Lok families!

We hope that you and your family are doing well and staying healthy during this time. We miss seeing you and your children at our center and can’t wait to welcome you back in the future. When you do visit us again, we will have a brand new looking center! Thanks to First 5 and the Office of Early Care and Education, Joy Lok received some funds to enhance our spaces and our staff have been working together to make our center more welcoming for you. We hope you will get to check it out at your next visit with us and let us know what you think!

During this time, our staff continues to work remotely to offer our support and our center remains closed until further notice. To keep up-to-date with us, please check out our website at www.wuyee.org or give us a call. Our staff are answering the phones and checking emails remotely and will get back to you in a timely manner. Due to the uncertainty of this health pandemic, we will be moving all of our programming virtually for the time being. Please find our virtual offerings below for our upcoming playgroups, parent support groups and workshops. Some of these programs will have a waitlist in place so please call ahead to learn more and to register.

Thank you for your patience at this time as we find new ways to work together with you and your family.

Social-Emotional Well-being During COVID
Monday, 8/24/20
Time: 11:00am-12:00pm

We are all experiencing some very challenging times right now. Balancing family life and distance learning has become a daily way of life now. By the end of the day, we might be feeling overwhelmed and emotionally drained. So, how do we help our self so that we can help our family?

Workshop conducted in Cantonese via ZOOM.
Access to Community Resources and Public Benefits Support

Even though our doors are closed at the moment, you can still learn more about the community resources available for you and make an appointment to receive virtual one-on-one support to apply for public benefits like CalFresh, Medi-Cal plus unemployment insurance and low income housing opportunities.

For general community resource inquiries, please call us at (415) 391-4890. Please leave your name, phone number and a brief message with how we can assist you. Our staff will call you back at the earliest convenience.

For support with public benefits, unemployment insurance and housing opportunities, please call us at (415) 321-3830. Please leave your name, phone number and a brief message with how we can assist you. Our staff will call you back at the earliest convenience.

Important FRC Announcements

Only families with an appointment with a staff member will be allowed to enter the Joy Lok FRC. A health questionnaire and no-touch temperature scan will be completed prior to your appointment time.

**Sorry, we will not be allowing any visitors without appointments at this time.**

Please note that due to the health pandemic, our community playroom will no longer be open to families for the time being.

In addition, to minimize the risk of exposure, our Book and Toy Lending Library will not be opened to families as well. If you have a resource need for books and materials for your children, please contact us and we will try to assist you as best as we can.

Thank you for your cooperation and understanding!
