I am excited to share with you another season of the Mount Vernon Nights Concert Series at Grist Mill Park. I'm also thrilled to present the series at the Workhouse to the south county community and hope that you will take advantage of all the arts at the Workhouse during your visit. This series of free public concerts features a wide variety of musical acts reflecting Fairfax County's diversity and community spirit. I encourage you to bring a picnic dinner and a blanket and to sit back, relax and enjoy the show. I look forward to sharing a wonderful summer of music under the stars with you.
