By purchasing, or downloading, or installing, or using, or otherwise handling the digital typeface software (hereafter fonts), you accept the terms of this agreement. In accepting the terms of this agreement, you acknowledge understanding and complying with its terms. This agreement replaces and supersedes any previously made oral or written proposal or agreement between you and Studio Buchanan. You are purchasing a license for the embedded use of fonts in applications, also called “software” or “apps” (hereafter applications).**
- 2a.** You are purchasing a certain amount of licenses to embed fonts by Studio Buchanan in a certain number of applications created within your organization, by a certain number of developers, designers, and other creators of the app using the fonts. - 2b.** “Embed” and “use” shall both mean the use of fonts in applications, meaning the embedding of the font files through various means (depending on the operating system and programming platform) into the application or an application package. The fonts are used by said application to style dynamic or static text inside those applications.
- 2c.** “Applications” shall mean applications able to run and function on one of the following operating system platforms: Microsoft Windows, Apple OS X, Apple iOS, Android. All release versions of the aforementioned operating systems are covered in this agreement, insofar as they support the font files as they are supplied by Studio Buchanan. The list of supported operating systems may change at any time, depending on technological developments and the operating systems’ support of font technology, and at Studio Buchanan’s discretion.
- 2d.** “Within your organisation” shall mean usage inside your company or organisation, across all your business locations, but shall not include usage by business clients or other third parties, including self-employed parties who are working for you but not at one of your business locations. Self-employed third parties temporarily working at one of your business locations on your devices are considered part of your organisation.

The fonts may not be embedded into any other format or in any other way under this license. Embedding of the font with the CSS @font-face technology is expressly prohibited. Studio Buchanan does not offer any support for or guarantee the proper functioning of any modified fonts.
- 7.** We try to produce our fonts to the highest and most up-to-date technical standards. If you do experience any difficulties with our fonts, we will do everything that we can to work with you to resolve any issues. If, after we have worked with you to resolve any technical issues, you are still not satisfied with our product, we will be pleased to refund your money, which shall be the limit of our liability in this transaction.
