Mou, Tsung-San's Lectures Series

The thumb of contemporary Neo-Confucianism, world-class philosopher, Mou, Tsung-San's script announced after he died in 1995. As exclusive in global books markets, the lectures series (11 topics) were made in New Asia College during 1980-1995 and revised by Legein scholars based on Mou's lecture tapes.

Based on hundreds of archive pictures taken by Legein Society, the book collects many contemporary Confucians' articles that witness and record Neo-Confucians' struggling, developing history, and cultural ambition to improve the world. It also compiles many exclusive, firsthand historic data announced.

Contemporary Neo-Confucians' struggle in Taiwan and Hong Kong during 1975-2014
