

Lost At Sea

(Written by Pamela McNeill)

If you still want me
If you still love me
If you still find me in your dreams

Then how sad is it, baby
That we'll never know
what might have been
if time hadn't kept us out of reach

I'm sailing for far away shores
If ever you need me
I'll be

(Chorus)
Lost at sea
on blue waters
Searching desperately
for the sight of passing ships
Where your voice rings clear
from the harbor
And your memory shines
like a lighthouse
If you look for me
I'll be lost at sea

I carry this longing
So great in my heart
It's been like an anchor to the deep

And years they go flying
It never gets easier to see
how some things just weren't meant to be

So I'm sailing for
far away shores
If ever you need me
I'll be
(Chorus repeat)
