

Avalanche of You Part I

Words and Music by Pamela McNeill

In the days since then
Oh I searched and I prayed
It seems every time I looked up
Down came the rain

And it's hard to get over
Yes, it's hard to forget
Under blankets of sorrows
And pillows of regret

But I keep rollin' on anyway
I'm gonna find my peace some day
'Cuz I can't see nothin'
No I can't see nothin'
No I cant, I can't see nothin'
Since I been covered up
In this avalanche of you
