

## Heart of Hearts

Words and Music by Pamela McNeill

So there you go  
Through the street below  
And I will always picture this as the end  
What will I do  
With the ghost of you  
Oh I will always love you here in my heart of hearts

Baby  
Said you'd never wanna leave me  
But now here you're goin'

Take all of me  
Go and find your dream  
And I will be here you're goin'

Take all of me  
Go and find your dreams  
And I will be here holding onto you  
Tremblin' like a flower out in the wind  
When will I ever see you again?

Baby  
Ah oooooooooo

Take all of me  
Go and find your dreams  
Throw down these tears and walk on water  
Come feed the fire as it grows hotter  
And let it burn forever more in my heart of hearts  
In my heart of hearts  
Heart of hearts, yeah  
Heart of hearts  
Just go now...
