

## **In My Next Life**

Words and Music by Pamela McNeill

You'll see, in my next life  
When you come around as a friend  
I'll know then, not to trust you  
Your backstabbing self  
Who claims innocence

So I'll learn a lot this time  
And I'll take it all with me  
To use in my next life

I guess, it's my lot in life  
To put up with sad little jerks like you  
You devastate, so completely  
You believe your own lies  
As if the gospel truth  
(Yes you do)

So I'll learn a lot this time  
And I'll take it all with me  
To use in my next life  
So hurt me as much as you like  
And I'll steal a trick or two  
For you in my next life  
In my next life  
Ooooo...
