& \quad A \quad E7 \quad E7 \quad E7 \\
& \quad A \quad E7 \quad E7 \quad E7 \\
\end{align*}
He is a man, guess the son of an earl.
She is the pure village maid.
He tells her he loves her again and again.
A child of seven.

He tells her he loves her again and again.
She is the pure village maid.
A child of seven.

He tells her he loves her again and again.
A child of seven.

She is the pure village maid.
A child of seven.
