Blue Skies Around The Corner

[Musical notation]
Blue Skies Around The Corner

Blue skies are round the corner, walk round the corner with me just round the corner you'll see those blue skies.

Blue skies there's no thing warmer, won't you feel happy to be sharing the sunshine with me under those blue skies.

Troubles may come and troubles will go, don't you ever worry any more.

Look at those skies, they're not telling lies, that's what they were put there for.

Blue skies are round the corner, every thing's gonna be right.

Never a cloud in those bright blue skies.
