When you're smiling - when you're smiling - the whole world smiles with you.

When you're laughing - when you're laughing - the sun comes shining through but when you're crying - you bring on the rain.

So stop your sighing - be happy again - keep on smiling - coz when you're smiling - the whole world smiles with you.

When you're smiling - the whole world smiles with you.

So stop your sighing - be happy again.
