

GOOD AS GOLD ORCAS ISLAND WEDDING VENDOR LIST

So how did these businesses make our list? These vendors have performed, time after time, for couples just like you at events that we have been involved in. There is no secret handshake deal or commission paid. They are just the best, in our experience (and we've done 100's of weddings). Book early, these gems book fast for popular summer dates.

Additional Information about Events at the New Leaf Cafe and Outlook Inn, call Steve Debaste (360) 376-2200 or email steve@outlookinn.com

"New Leaf Cafe is always our first choice: the warmth, attention to aesthetic, the friendly and authentic staff and owners, the really great wine list and oh-my-gosh, THE FOOD! When all of these can work in concert the way they do at New Leaf Cafe, to create a really great dining experience, over and over, our visits never disappoint. But back to the food. The delicate and skillful touch of the chef at New Leaf Cafe is clear in every dish we've had there. It's never hard to decide what to have because it is all wonderful... Really! We are very fortunate to have a chef of his caliber and a restaurant of this quality here on Orcas. Come see for yourself and be prepared to be treated to a great experience."
