

## Peoria Christian Virtual High School

Distinctively Christian, Decidedly Academic

Peoria Christian Virtual High School was created to offer a flexible alternative to delivering a Christian education to students and families. PCVHS has elective courses available including a variety of Bible classes, in addition to Advanced Placement and Dual-Credit courses. Our overall mission is to provide educational excellence in a Christ-centered environment and the addition of our online program will only help us accomplish this goal.

Peoria Christian Virtual High School courses are rigorous and exceed all national and state standards. In addition, Peoria Christian School is fully accredited by the Association of Christian Schools International, North Central Association, and recognized by the state of Illinois. Because we consider the Bible to be central to academic excellence, Peoria Christian Virtual High School integrates wisdom, examples, stories, characters and teaching from God's Word into our Christ-centered courses. Such integration coupled with high academic standards is the foundation of the program.

### **Peoria Christian Virtual High School is ideal for:**

- Transcript enhancement
- Dual credit (high school and college credit)
- Students with unique scheduling conflicts
- Students needing to repeat a course
- Home school students

Online courses are not included in your regular school tuition. The cost for classes is as follows:

- Semester course \$600
- Full year course \$900
- AP and Dual credit courses \$900

TO REGISTER FOR CLASSES PLEASE CONTACT THE HIGH SCHOOL OFFICE OR EMAIL MRS. LYONS AT: [alyons@peoriachristian.org](mailto:alyons@peoriachristian.org).
