

## WS Outreach Challenge #3

### Challenge Goal

Create information packets for outreach to professionals that include the *Nar-Anon Offers Hope* pamphlet, *Information About Nar-Anon* letter, a meeting schedule and *Information About Narateen for Professionals* letter, when applicable.

**Suggested Uses** - Ask members to take packets to share with professionals they may encounter; set out packets at outreach events; drop off or mail packets to professionals at treatment facilities, mental health centers, medical practices, law enforcement and criminal justice offices and schools (an internet search can help identify the professionals in your area). Mail packets to professionals requesting information.
