Nar-Anon Family Groups | 2018 WSC
Final Minutes | Friday, April 27, 2018 2
NARATEEN GROUPS

Narateen groups, which are part of the Nar-Anon fellowship, are formed to provide support to teenage family members and friends of addicts. A Narateen group is a safe environment where teenagers can share and work on their recovery. The principles that apply in the Nar-Anon fellowship, such as honesty, trust, confidence, safety, and anonymity, also apply to Narateen as do the Twelve Steps, Twelve Traditions and Twelve Concepts of Service.

Registration of Groups

Area/Region Requirements

A group is considered a Narateen group when it and its area or region meets the following requirements:

- Develops and submits Narateen Safety Policies for review to the WS Narateen committee. Safety Policy includes:
  - NTPP is voted in by assembly
  - Background checks are passed by all Facilitators
  - State, county, province or country laws are reviewed and incorporated into the policy
  - Safety policy is approved by assembly
- Has an assembly elected Narateen Process Person (NTPP).
- NTPP submits Narateen Facilitator Registration Form and Narateen Group Registration Form to WSO.

Note: For legal purposes the region should have documented proof in their regional minutes to support all the above.

In the absence of an area or region, a group is requested to contact the World Service Narateen Committee for guidance on starting a Narateen group.

Once these requirements are met the group will be listed on the Nar-Anon world service website. It is important that any changes in group information are kept up to date with WSO.

Narateen Group Registration Form can be found online at [www.nar-anon.org/Narateen/](http://www.nar-anon.org/Narateen/) and at the back of this guide.

Group Requirements

- Group registration with WSO
- Have at least two certified facilitators registered with WSO
- Adhere to local Narateen safety policies
- Notify the NTPP of any group changes

How to Start a Narateen Group

To begin a meeting, you are encouraged to reach out to your area or region Narateen subcommittee, when there is one, or the World Service Narateen committee so they can explain the process and offer support. You will need two certified facilitators registered with WSO and it is suggested that each group have at least four certified facilitators available (two committed to regular attendance). Suggestions for starting a group,
- Review Group Requirements above under Registration of Groups.
- Contact your region for assistance and ask if they have assembly approved region Narateen guidelines.
- Contact your region to inquire about the availability of startup funds for new groups before purchasing a new group packet from the WSO.
- Choose a location and time that coincides with a Nar-Anon or NA meeting, as it will help teens with transportation and the availability of facilitator substitutes.
- Encourage Narateens to choose a group name by group conscience.
- Notify nearby Nar-Anon and NA meetings of your Narateen meeting.
- Visit Outreach page on Nar-Anon website for letters and table cards that can be used to announce the new meeting.

Membership in Narateen
It is suggested that Narateen membership begins at the age of 13. Narateen groups may allow pre-teens to attend based on group conscience. Continued participation is permissible up to the age a person is considered an adult in the country in which they reside. Once becoming an adult, they may attend Nar-Anon meetings.

Narateen Meetings
Narateen meetings are closed except by group conscience. Only adults who have been certified and registered with WSO may attend a Narateen meeting unless invited by a group conscience.

Narateen meetings in schools, hospitals, juvenile centers, and other professional settings allow access for teens that might not otherwise be able to attend. These meetings are often closed or limited access meetings only open to the youth at these schools or facilities. Access by teens outside of these facilities may be allowed at the discretion of a facility. Some facilities require that a counselor or other staff member attend the meeting. In such cases, the meeting can be considered open only to required personnel who have been informed of Nar-Anon’s Twelve Steps and Traditions, particularly the Twelfth Tradition:

"Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles above personalities."

Meeting Safety and Member Conduct
It is suggested that a code of conduct be developed by the group during the first few Narateen meetings. The code of conduct may be in the meeting format and read aloud before each meeting. In this way, members know what is expected of them during a meeting. All Narateen groups are autonomous and free to develop their own code of conduct. It is the facilitator's responsibility to remind the group of their code of conduct and recovery principles, while modeling boundaries with respectful and kind communication.

Funding and Seventh Tradition
To get started and maintain a Narateen group, there may be a lack of the necessary funds to pay rent, buy literature, etc. The local Nar-Anon group, area, or region may purchase literature or give donations to help a Narateen group. Each Narateen group is encouraged to participate in area or region fundraising. The goal of each Narateen group is to become fully self-supporting as suggested by the Seventh Tradition.
Transporting Minors
Nar-Anon Family Group Headquarters, Inc. does not recommend Narateen Facilitators transport minors to meetings or any Nar-Anon events.

Narateen Service Positions

Narateen Process Person
The Narateen Process Person (NTPP) is elected by the area or region to be responsible for the confidential records, including the completed forms and background checks, of facilitators. Duties include:

- Coordinate required background checks.
- Register certified facilitators with WSO.
- Register groups with WSO.
- Keep all facilitator information secure.

It is suggested the NTPP be certified in the same way as a Narateen facilitator. The NTPP is elected by assembly. When there is a Narateen subcommittee, the NTPP may be a member of this subcommittee and may also serve as chair.

Facilitator Registration Forms must be completed and sent to WSO annually for renewal in June and whenever any changes occur. The NTPP is also responsible for registering all Narateen groups with WSO, thus verifying the availability of at least two certified facilitators for each group. Regions may determine other Narateen positions and support services.

Narateen Facilitator
The Narateen facilitator is an active member of Nar-Anon, who attends Nar-Anon meetings on a regular basis and has a working knowledge of Nar-Anon’s Twelve Steps, Twelve Traditions, and Twelve Concepts of Service. Narateen facilitators do not dominate the meetings, but facilitate to keep the group focused on the topic. An NA member can be a Narateen facilitator provided they are also a member of Nar-Anon. Emphasis should, at all times, be placed on the Nar-Anon/Narateen program.

Duties include:
- Protect the anonymity of all Narateen members.
- Attend Narateen Subcommittee meetings.
- Guide the group in the development of the group’s conduct guidelines.
- Become familiar with the NFG Guide for Local Services and the NFG Guide to World Services
- Be consistent in following the group’s format
- Be willing to serve for a minimum of one year

Narateen Sub-committee chair and members:
An area or region may elect to have a Narateen Subcommittee to support local Narateen groups.
“Sample Format for Narateen Meetings”

(All readings are from the Nar-Anon Blue Booklet)

Leader/Chair: Hello, my name is ____________________________. Let’s open the meeting with a moment of silence followed by the Serenity Prayer.

At this time, we ask you to please silence your cell phones and avoid texting during the meeting.

**In Narateen we have a group agreed upon code of conduct to keep this meeting a safe place for us all to share and grow. We read it at the beginning of every meeting.**

**Read code of conduct here...**

Is anyone here for their first, second, or third meeting? If so, please introduce yourself by your first name only so we may welcome you.

Leader/Chair: Read the Nar-Anon Newcomer’s Welcome (Blue Book).

Leader/Chair: Ask members to introduce themselves, using first names only.

Leader/Chair: Ask members to read the following:
Page 7 Twelve Steps
Page 8 Twelve Traditions
Page 12 Keeping Our Meetings Healthy

Leader/Chair: Ask members to read one or more of the following:
Page 2 Mission Statement; Vision Statement
Page 4 The Family
Page 5 Changing Ourselves
Page 6 About Addiction
Page 15 Just for Today

Leader/Chair: Once the meeting has opened, we only read from conference approved literature (CAL) listed on the NFGH literature order form located on the Nar-Anon World Service website. If you wish to purchase literature, please visit the literature table.

Leader/Chair: Ask for Secretary’s report and Narateen related announcements.

Leader/Chair: Ask meeting facilitator(s) if he/she has any announcements.

Leader/Chair: Our Seventh Tradition says that every group ought to be fully self-supporting. We pass the basket around for contributions to be used for purchasing literature from WSO (World Service Office), to pay rent, and to make donations to service areas beyond the group level.

Leader/Chair: Anything you hear today is strictly the opinion of the person sharing. The principles of Narateen are found in our Twelve Traditions and Twelve Steps. If a member says something here you cannot accept, remember they are merely speaking from their own experience. They are not speaking for Narateen. When you leave the meeting take home those thoughts that will be most helpful to you, forget those you feel will not be helpful, and keep coming back.
Leader/Chair: During the meeting only one person speaks at a time; we do not engage in crosstalk. We speak only about our own experiences and feelings. We accept without comment what others say because it is true for them. We will be happy to discuss your questions after the meeting has closed.

Leader/Chair: Introduce the speaker or announce and share on the topic.

The topic for this meeting is ______________________.

Leader/Chair: Open the sharing to the other members.

Please try to limit sharing to between three and five minutes per person. The last 15 minutes of the meeting can be reserved for newcomers to share.

At the close of the meeting, leader/chair says: Let’s thank everyone for a great meeting.

As this is an anonymous program, we ask all members and visitors to respect our anonymity. The stories you heard were told in confidence and should not be repeated outside. They are told so we may better understand this program and ourselves and to give encouragement and help to the new members.

After a moment of silence, close the meeting in any manner consistent with our traditions and the principles of Nar-Anon.

Motion 19, as amended -- CARRIED, 31/0/1

Three proposed amendments to Motion 19 regarding legal concerns were withdrawn, for further consideration by the BOT. The BOT may be required to address this and other Narateen sections to accommodate legal, insurance, and financial considerations.

MOTION 18 - To approve the booklet, Men Sharing Their Experience, Strength, and Hope, BD-216, attachment 3.

     Motion 18 -- CARRIED, 32/0/0

MOTION 20 - Delete the current WS Narateen Safety Guidelines, S-332 and replace with the following:

PURPOSE:
The World Service Narateen Safety Policy and Guidelines are created to ensure the safety of Narateen members, facilitators, and Nar-Anon/Narateen as a whole. In addition, each Narateen group must adhere to the policies of their local Nar-Anon area and region, as well as any regulations in their state, province, or country concerning adults interacting with youth.

Helping Teens Recover Together
Narateen groups, which are part of the Nar-Anon Fellowship, are formed to provide support to teenage family members and friends of addicts. A Narateen group is a safe environment where teenagers can share. The principles that apply in the Nar-Anon fellowship, as outlined in our Twelve Steps, Twelve Traditions, Twelve Concepts, Guide to Local Services and Guide to World Services, also apply to Narateen and include honesty, trust, confidence, safety, and anonymity.
SAFETY POLICY:

Area/Region Requirements
A group is considered a Narateen group when it meets the following requirements:
- Has an assembly elected Narateen Process Person (NTPP).
- NTPP submits Narateen Facilitator Registration Form and Narateen Group Registration Form to WSO.
- Area or Region develops and submits Narateen Safety Policies for review to the WS Narateen committee. Safety Policy includes:
  - NTPP is voted in by assembly
  - Background checks are passed by all Facilitators
  - State, county, province or country laws are reviewed and incorporated into the policy
  - Safety policy is approved by assembly
Note: For legal purposes the region should have documented proof in their regional minutes to support all the above.

In the absence of an area or region, a group will be responsible for meeting the above safety requirements. Refer to the Narateen section in the Guide to Local Services for additional policy and safety information.

Once these requirements are met the group will be listed on the Nar-Anon WS Website.

Group Requirements
- Group Registration with WSO
- Have at least two certified facilitators
- Adhere to area/region for copy of regional safety policies
- Notify the NTPP of any group changes

Local Safety Policy:
As identified above, each group, area or region is required to create their own assembly approved safety policy to define service positions, facilitator certification process and support the Narateen program.

FACILITATING A NARATEEN GROUP
A Narateen facilitator should be an active, adult member of Nar-Anon who attends meetings on a regular basis. All Narateen facilitators must be registered with the WSO after being certified by NTPP or Narateen Subcommittee in accordance with their local group, area or region’s safety policy, which must include successful completion of a background check.

Narateen facilitators should not dominate the meetings, but rather facilitate to keep the group focused on the topic. It is suggested that a facilitator not be a relative or legal guardian of a Narateen member of the group, as members of the group may feel uncomfortable speaking freely and openly.

WHY IS HAVING TWO FACILITATORS NECESSARY?
It is highly recommended that every Narateen Group have two certified facilitators at every meeting, preferably one male and one female. The teens and facilitators are protected when two facilitators are in the room. Also, if a situation arises where a facilitator must leave the room, another is there to continue the meeting. If one facilitator is unable to attend, it is recommended
that he/she call another certified Narateen facilitator to substitute. If a replacement second facilitator is unavailable, a group conscience, including the available facilitator, may be taken to decide whether to continue or cancel the meeting.

**NARATEEN FACILITATOR CERTIFICATION**
Each local Nar-Anon area or region shall develop and define a process to certify Narateen facilitators based on these World Service Narateen Safety Policy in accordance with the local area, state, region, province, or country's laws. It is important to check into the legal requirements for adults interacting with minors. Certification is a formal acknowledgement that a member has met the requirements for being of service to Narateen. A process for recertification should also be defined.

**NARATEEN PROCESS PERSON**
The Narateen Process Person (NTPP) is elected by the area or region, to be responsible for the confidential records, including the completed forms and background checks of facilitators. Duties include:

- Coordinate required background checks
- Register certified facilitators with WSO
- Register groups with WSO
- Keep all facilitator information secure

It is suggested the NTPP be certified in the same way as a Narateen facilitator. The NTPP is elected by assembly. The NTPP may be a member of the Narateen committee and may also serve as chair.

Facilitator Registration Forms must be completed and sent to WSO annually for renewal in June and whenever any changes occur. The NTPP is also responsible for registering all Narateen Groups with WSO, thus verifying the availability of at least two certified facilitators for each group. Regions may determine other Narateen positions and support services.

**MEETING SAFETY AND MEMBER CONDUCT**
It is suggested that behavior requirements be drawn up during the first few Narateen meetings and read aloud before each meeting. In this way, members know what is expected of them during a meeting. All Narateen groups are autonomous and free to develop their own code of conduct. It is the facilitator's responsibility to gently remind the group of the best practices, principles, and standards.

Narateen members may have been exposed to violence, drug abuse, weapons, verbal abuse, emotional disorders, and law enforcement issues. The facilitator's job is to help teens cope with their feelings regarding addiction using the tools of Narateen/Nar-Anon. Family members or guardians who leave a child at a Narateen meeting are entrusting facilitators with the safety of their child during the meeting. It is the responsibility of the facilitators to maintain order during the meeting according to the behavior requirements. Any disciplinary action to be taken by facilitators is explained in the requirements. An example of possible disciplinary actions would be a verbal warning for the first offense.

Before and after the meeting, it is the family member's or guardian's responsibility to discipline their children and they should not be questioned by the facilitator. If a member must be removed from a meeting due to disruptive behavior, a facilitator should stay with the child until released to their parent.
It is important that all facilitators know what to do if an emergency situation arises, whether it is within the meeting or an environmental emergency from natural disasters. These emergency plans should be worked out prior to starting a new Narateen meeting and should be included in the local safety guidelines.

When facilitators must protect themselves from personal harm, accusations, or threats, even if totally blameless, they should consider the members’ safety when deciding to become or continue as facilitators. If a facilitator decides to step down, the NTPP or regional Narateen sub-committee should assist in finding a new facilitator.

It is important that mandatory reporting laws, such as those for child abuse and neglect, be reviewed for your city, county, state, province or country and incorporated into your safety guidelines. You are encouraged to consult other Narateen facilitators or Narateen service members before taking any action regarding reporting.

Motion 22 -- CARRIED, 32/0/0

MOTION 25 - In the Guide to Local Services, pages 7-1, 7-2, remove section Anonymity and replace with:

ANONYMITY

The experience of our groups suggests that the principle of anonymity, which is summed up in Tradition Twelve as “the spiritual foundation of all our traditions,” has three elements: anonymity as it applies outside Nar-Anon, anonymity within the fellowship, and anonymity as it contributes to our personal growth.

Anonymity Outside Nar-Anon

Tradition 11- “Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, films, internet and other forms of mass media. We need guard with special care the anonymity of all NA members.” This speaks directly to the protection of anonymity outside of the Nar-Anon fellowship.
Tradition Eleven gives us specific guidelines, "we need always maintain personal anonymity at the level of press, radio, films, internet, and other forms of mass media." This means that at all times we need to protect our personal anonymity in the public forum.

When speaking as a Nar-Anon/Narateen member at the public level, only first names or pseudonyms are used. In photographs for publication or in television appearances, faces may be blurred or turned away from the cameras so they are unrecognizable.

Any Nar-Anon/Narateen member may write an article or give an interview about the fellowship for local or national publication. Personal anonymity should be maintained by signing anonymously or using a pseudonym.

Mass media includes the various forms of social media, internet articles, and blogs. Individually, members can use social media for private communication but are cautioned not to use the Nar-Anon name or logo because there is no protection of anonymity. Anything expressed on the internet may be difficult or impossible to remove and could have potential harm to members and others.

It is important to make Nar-Anon known through public information work with professionals who come into contact with families suffering from the effects of addiction. Such contacts may make it necessary for involved Nar-Anon and Narateen members to give their contact information to interested doctors, spiritual leaders, school, or industrial personnel.

Anonymity Within Nar-Anon
We guard the anonymity of others in the fellowships of Nar-Anon/Narateen and NA. This means not revealing to anyone, even to relatives, friends, and other members, who we see and what we hear at a meeting.

Anonymity goes well beyond mere names. All of us need to feel secure in the knowledge that nothing seen or heard at a meeting will be revealed. We feel free to express ourselves among our fellow Nar-Anon members because we can be certain that what we say will be held in confidence.

At open Nar-Anon meetings, group anniversaries, conventions, or workshops where non-members may be present, Nar-Anon/Narateen members are free to decide how much anonymity they prefer. It is well to open such meetings with a brief explanation of the Eleventh and Twelfth Traditions. One suggestion is as follows:

There may be some attending who are not familiar with our tradition of personal anonymity at the public level. If so, we ask you to respect our anonymity, and not identify any Nar-Anon, Narateen, or NA speaker or member by name or picture in published or broadcast reports of our meeting.

The assurance of anonymity is essential to our efforts to help other families and friends of addicts, and the Twelfth Tradition reminds us that the spiritual base of Nar-Anon and Narateen principles are found in the equality expressed in anonymity. Our principles come before personalities.

Anonymity in Our Personal Growth
We identify ourselves by our first names to remind us we are equals in Nar-Anon. We share as equals, regardless of social, educational or financial position. Anonymity provides the freedom and security Nar-Anon assures each member. Our growth in humility is rooted in the spirit of anonymity,
always reminding us to place principles above personalities. Open-mindedness and the willingness to listen to each other are the practical applications of the spiritual principle of anonymity.

(Tabled at WSC 2014)

MOTION 9 - In the Guide to Local Services, page 2-1, section How to Start a Nar-Anon Group, subsection Registration of Groups, give priority to the use of the Traditions when making decisions to start new meetings by inserting the following language after paragraph 1.

If there are established NFG groups in your community application of Tradition 1 “Our common welfare should come first; personal progress for the greatest number depends on unity” and Tradition 4, “Each group should be autonomous except in matters affecting other Nar-Anon Family Groups, or NA as a whole,” support the idea that open communication with established Nar-Anon group(s) is essential when starting a new meeting. In order to avoid having a negative effect on established meetings, check with other NFG group(s) in the vicinity and cooperate with them in decisions and details that may affect other group(s) e.g., day of week, time and location of a new meeting and association with an area/region, etc. When making these decisions, members need to consider the welfare of all the groups affected.

Motion 9 -- FAILED, 4/24/4
MOTION 10 - In the Guide to Local Services, page 5-1, section Area Structure, revise the first two paragraphs by adding 2 sub-section headings and 2 sentences:

Areas are convenient segments into which a region may be divided. Approval for the formation of an area rests solely with the groups within the proposed area.

The Area Service Committee (ASC) meeting is held in a central location within an area to hear reports and to discuss area and group matters. ASC meetings are attended by area officers, GSRs, and subcommittee chairs. These meetings are open to all Nar-Anon members. A sample ASC meeting agenda may be found at the end of this section.

Replace with:

Organizing or Joining a Nar-Anon Area

Areas are convenient segments into which a region may be divided. Approval for the formation of an area rests solely with the groups within the proposed area. Areas are formed for the benefit of all nearby groups so that groups have representation, mutually supported business meetings and the opportunity for mutually beneficial joint activities.

When groups choose to form a new area or a group chooses to withdraw from an area or changes affiliation from one area to another, it is suggested that careful consideration be given to seek the most beneficial impact on all of the affected local groups within their communities and to support the unity and welfare of Nar-Anon as a whole.

Area Service Committee

The Area Service Committee (ASC) meeting is held in a central location within an area to hear reports and to discuss area and group matters. ASC meetings are attended by area officers, GSRs, and subcommittee chairs. These meetings are open to all Nar-Anon members. A sample ASC meeting agenda may be found at the end of this section.

MOTION 13 - In the Guide to Local Services, page 5-1, section Area Structure, add additional wording.

Areas are convenient segments into which a region may be divided. Approval for the formation of an area rests solely with the groups within the proposed area. Groups interested in participating in an area can take a group conscience to decide if they wish to be part of an area.

If this is a new area or an area that is not currently active, the interested groups can meet to elect such Area officers as are needed. Following the election, the Area Service Representative (ASR) should contact their region and/or WSO to register the Area and the Area Officers.

OLD BUSINESS - MOTIONS / INFORMATION SESSIONS

MOTION 12 - To make the following changes and additions to the Event Planning Handbook, S-320:
Add the following section after One Day Events (in bold) Page 5

AREA/REGION ONE DAY EVENTS
Some areas/regions also hold single day events which are smaller than conventions, cover a larger geographical area than a local event, and are considered recovery events such as a Narathon or Unity Day. (See Event Descriptions on page 14). Planning for these events requires a committee, most likely on a smaller scale than a convention such as those suggested above for local one day events. Ideas from both convention and local event committee guidelines can be used depending on the needs of the event.

Area/region events are always planned using the traditions, concepts of service, and group conscience in the decision making process.

Add the following descriptions (in bold) Page 14

EVENT DESCRIPTIONS
Workshops: Recovery workshop events can include member participation focused on program topics such as service or sponsorship, writing literature, step studies, or tradition studies.
Narathon: A day of recovery event that can be hosted by an area or region with continuous speakers. May include a potluck, opportunity drawings and/or seventh tradition. Can be used for fund raising and outreach activities that are consistent with our traditions and concept of service.

MOTION 20 - Delete the current WS Narateen Safety Guidelines, S-332.

Replace with:

WORLD SERVICE NARATEEN SAFETY POLICY AND GUIDELINES

PURPOSE:
The World Service Narateen Safety Policy and Guidelines are created to guard with special care the safety of Narateen members, facilitators, and Nar-Anon/Narateen as a whole. In addition, each Narateen group must adhere to the policies of their local Nar-Anon area and region, as well as any regulations in their state, province, or country concerning adults interacting with youth.

Helping Teens Recover Together
Narateen groups, which are part of the Nar-Anon Fellowship, are formed to provide support to teenage family members and friends of addicts. A Narateen group is a safe environment where teenagers can share. The principles that apply in the Nar-Anon fellowship, as outlined in our Twelve Steps, Twelve Traditions, Twelve Concepts, Guide to Local Services and Guide to World Services, also apply to Narateen and include honesty, trust, confidence, safety, and anonymity.

SAFETY POLICY:

Area/Region Requirements
A group is considered a Narateen group when it and its area or region meets the following requirements:

- **Develops and submits Narateen Safety Policies for review to the WS Narateen committee.**
  - NTPP is voted in by assembly
  - Background checks are passed by all Facilitators
  - State, county, province or country laws are reviewed and incorporated into the policy
  - Safety policy is approved by assembly
- **Has an assembly elected Narateen Process Person (NTPP).**
- **NTPP submits Narateen Facilitator Registration Form and Narateen Group Registration Form to WSO.**

Note: For legal purposes the region should have documented proof in their regional minutes to support all the above.

In the absence of an area or region, a group is requested to contact the World Service Narateen Committee for guidance on starting a Narateen group.

Once these requirements are met the group will be listed on the Nar-Anon WS Website.
• Adhere to local Narateen safety policies
• Notify the NTPP of any group changes

Local Safety Policy:
As identified above, each group, area or region is required to create their own approved safety policy to define service positions, facilitator certification process and support the Narateen program.

FACILITATING A NARATEEN GROUP
A Narateen facilitator should be an active, adult member of Nar-Anon who attends meetings on a regular basis. All Narateen facilitators must be registered with the WSO after being certified by NTPP or Narateen Subcommittee in accordance with their local group, area or region’s safety policy, which must include successful completion of a background check.

Narateen facilitators should not dominate the meetings, but rather facilitate to keep the group focused on the topic. It is suggested that a facilitator not be a relative or legal guardian of a Narateen member of the group, as members of the group may feel uncomfortable speaking freely and openly.

WHY IS HAVING TWO FACILITATORS NECESSARY?
It is highly recommended that every Narateen Group have two certified facilitators at every meeting, preferably one male and one female. The teens and facilitators are protected when two facilitators are in the room. Also, if a situation arises where a facilitator must leave the room, another is there to continue the meeting. If one facilitator is unable to attend, it is recommended that he/she call another certified Narateen facilitator to substitute. If a replacement second facilitator is unavailable, a group conscience, including the available facilitator, may be taken to decide whether to continue or cancel the meeting.

NARATEEN FACILITATOR CERTIFICATION
Each local Nar-Anon area or region shall develop and define a process to certify Narateen facilitators based on these World Service Narateen Safety Policy in accordance with the local area, state, region, province, or country’s laws. It is important to check into the legal requirements for adults interacting with minors. Certification is a formal acknowledgement that a member has met the requirements for being of service to Narateen. A process for recertification should also be defined.

NARATEEN PROCESS PERSON
The Narateen Process Person (NTPP) is elected by the area or region, to be responsible for the confidential records, including the completed forms and background checks of facilitators. Duties include:

• Coordinate required background checks
• Register certified facilitators with WSO
• Register groups with WSO
• Keep all facilitator information secure

It is suggested the NTPP be certified in the same way as a Narateen facilitator. The NTPP is elected by assembly. The NTPP may be a member of the Narateen committee and may also serve as chair.

Facilitator Registration Forms must be completed and sent to WSO annually for renewal in June and whenever any changes occur. The NTPP is also responsible for registering all Narateen Groups with
WSO, thus verifying the availability of at least two certified facilitators for each group. Regions may determine other Narateen positions and support services.

MEETING SAFETY AND MEMBER CONDUCT
It is suggested that behavior requirements be drawn up during the first few Narateen meetings and read aloud before each meeting. In this way, members know what is expected of them during a meeting. All Narateen groups are autonomous and free to develop their own code of conduct. It is the facilitator’s responsibility to gently remind the group of the best practices, principles, and standards.

Narateen members may have been exposed to violence, drug abuse, weapons, verbal abuse, emotional disorders, and law enforcement issues. The facilitator’s job is to help teens cope with their feelings regarding addiction using the tools of Narateen/Nar-Anon. Family members or guardians who leave a child at a Narateen meeting are entrusting facilitators with the safety of their child during the meeting. It is the responsibility of the facilitators to maintain order during the meeting according to the behavior requirements. Any disciplinary action to be taken by facilitators is explained in the requirements. An example of possible disciplinary actions would be a verbal warning for the first offense.

Before and after the meeting, it is the family member’s or guardian’s responsibility to discipline their children and they should not be questioned by the facilitator. If a member must be removed from a meeting due to disruptive behavior, a facilitator should stay with the child until released to their parent.

It is important that all facilitators know what to do if an emergency situation arises, whether it is within the meeting or an environmental emergency from natural disasters. These emergency plans should be worked out prior to starting a new Narateen meeting and should be included in the local safety guidelines.

When facilitators must protect themselves from personal harm, accusations, or threats, even if totally blameless, they should consider the members’ safety when deciding to become or continue as facilitators. If a facilitator decides to step down, the NTPP or regional Narateen sub-committee should assist in finding a new facilitator.

It is important that mandatory reporting laws, such as those for child abuse and neglect, be reviewed for your city, county, state, province or country and incorporated into your safety guidelines. You are encouraged to consult other Narateen facilitators or Narateen service members before taking any action regarding reporting.
