

## Editorial Director

### About Us:

Nix Hydra is a female founded mobile gaming studio with a portfolio of games and apps popular with young women. Over 23 million people worldwide enjoy our apps including the *Egg Baby* virtual pet franchise and the fan favorite visual novel *The Arcana*. Nix Hydra is based in Los Angeles and VC-backed by Foundry Group, the investors behind Zynga, Harmonix, and Fitbit.

### Job description:

We are currently seeking an editorial director to perform a variety of functions, including managing writers both in-house and freelance, directing the workflow, copy editing text, and running editorial meetings.

### Key responsibilities:

- Manage the editorial process for *The Arcana* as well as for other stories
- Manage all writers
- Run editorial meetings for *The Arcana*
- Help establish editorial processes for external writers
- Evaluate drafts of all stories, making recommendations to the team for changes and revisions
- Copy edit all stories
- Enforce deadlines set by the production staff
- Meet with each in-house writer regularly, helping them with their career growth
- Establish content guidelines for freelance writers
- Maintain quality standards throughout the editorial process
- Work with QA to assign bugs to writers as needed

### Qualifications:

- 5+ years in an editorial or content design role in the game industry or related industry
- A high level of skill in game narrative and a great interest in narrative in film, television, comics, books, and games
- Experience in leading and mentoring creative professionals
- Knowledge and understanding of the interactive visual novel genre
- Avid gamer experience across multiple platforms and genres
- Strong writing and copyediting skills
- Must be self-motivated and work effectively in a fast-paced environment.
- Proven understanding for game design and experience in collaborating with other disciplines on game development projects

- Ability to communicate clearly and work effectively with others
- Excellent problem-solving skills

**Extra credit:**

- Knowledge of Unity
- Proficiency in Photoshop
- Experience in social media and blogging strategy a plus

**Perks of joining our team:**

- Flexible hours; you decide what time you want to start, and then work your 8 hour day
- Flexible vacations; just give everyone a proper heads up, and be considerate of deadlines
- Health insurance including medical, dental, vision
- Stock options to ensure you share in the success of the company
- A helpful & collaborative team. Work with people who love what they do and are happy to pitch in with ideas
- Pet friendly office

\*\*\*At this time, Nix Hydra is only considering applicants that currently reside in the Los Angeles or Greater Los Angeles area.
