

**World Affairs Challenge 2018 - Smart Planet
Denver Public Library Research Guides
UN Sustainable Development Goals Subtopics**

You will need a Denver Public Library (DPL) card. Any Colorado resident may have a DPL card. Here is the link to start the process of obtaining your card: <http://denverlibrary.org/library-card>

The Denver Public Library reference librarians welcome your questions. Call them at 720-865-1363 or use the other contacts at the bottom of this template. We can't wait for the WAC events in March 2018!

Databases/Digital Resources

To access the Denver Public Library databases:

www.denverlibrary.org

Click on the "Research" tab

Click on "Databases A-Z"

Databases used for these articles:

[Gale Virtual Reference Library](#) - Access full-text encyclopedias covering the arts, biography, country studies, history, law, literature, religion, science, social science and more! Great for research and homework.

[Student Resources in Context](#) - Reference essays, magazine and journal articles, newspaper articles and primary source documents, historical timelines, biographies, and classroom topics. Great for homework. Formerly Student Resource Center.

[Academic Search Premier](#): Full-text articles on popular culture, computer sciences, engineering, physics, arts, business and more.

Database articles are copyrighted so each student or group needs to go to the database to retrieve the articles.

Resources and research assistance provided by Denver Public Library Reference Services Department, 720-865-1363. We love to help students with research projects. Drop in at the reference desk on the 3rd floor of the [Central Library](#). Contact us live online with the [Ask Us](#) service. E-mail a question to dplref@denverlibrary.org Or [make an appointment](#) to work one-on-one with a librarian.

Smart Planet Overview

This research guide provides overviews for the students; all students and teachers will read through all materials in this research guide to gain a holistic understanding of Smart Planet at large. This will include key vocabulary, short history, summary, examples of development and international relations, maps, etc.
