FP 1 ROOM 1150	McAuliffe Manual Middle School	Thunder in Pakistan	We have researched problems that have come from a population boom in Pakistan. Some of these problems are hunger, health, access to clean water and sanitation, poverty and a lack of high-quality education. These problems connect with many of the global goals and we have analyzed how they are interconnected. After meeting with the Marshall Direct Fund at the Posner Center, we have focused on solving the problems through education.	1. Guadalupe DeLRosa-Sepulveda -
