WE NEED YOUR SUPPORT
To our supporters – volunteers, donors, community partners, and past participants:
You may have seen our recent emails describing programmatic changes made to the World Affairs Challenge. We are excited to offer the entire WAC experience on a virtual platform in 2021.
And we have even bigger plans for our 30th anniversary in 2022!
But right now, we are facing our own challenge. This year, we committed to significantly reducing team fees to expand access to more schools. But, due to the pandemic, we were not able to host our annual fundraising events. As a result, we are now in a critical financial situation.
Without immediate financial support, we will not survive to host the World Affairs Challenge this coming March 2021. Whether it’s $5 or $5,000, can you make a contribution right now? Your donation through Colorado Gives will help the WAC qualify for up to $5,000 in additional matching funds offered by a generous donor! Even more, when you donate through Colorado Gives, the WAC receives a portion of the incentive fund provided by the Community First Foundation.
NEW TAX DEDUCTIONS! The CARES Act (Coronavirus Aid, Relief, and Economic Security) allows individual taxpayers who do not itemize their deductions to make a charitable donation of up to $300 per individual ($600 if filing jointly) and reduce their adjusted gross income accordingly. For those who DO itemize their deductions, the law allows for even larger donations to be deducted, up to 100% of their adjusted gross income for 2020!
We already have teams registered for WAC 2021 - a donation of any amount will ensure this Colorado institution can continue to support these students on their journey toward global citizenship.
