Parent Resources and Involvement 2017-2018

Faith formation is a continuous and life-long process of growth that begins in childhood. **Our Religious Education Program at Sacred Heart is designed to be a partnership with parents and families** to provide a solid foundation for future growth in understanding and living the message of Christ.

These classes do not replace religious instruction at home. It is vital to your child's faith that what they learn through Religious Education at Sacred Heart is reinforced at home and with your family.
