Something
Remarkable.

On a mission to Feed, Educate, & Medically Assist

The poor of Calcutta, India.

India is home to the **highest concentration** of the world's poor.

Calcutta. A city heard occasionally in the headlines, but distant from view. A network of dilapidated slums and underdeveloped villages intertwined with a sprawling metropolis tread by 22 million people. Zooming in. Not everyone is thriving or surviving.

On a good day, most families earn only \$2 a day - not enough for 3 daily meals, clothes, or rent. Health care is luxury. Education is a dream.

Calcutta Mercy came to Calcutta in 1954. Where we saw, we found a solution. We started schools, cooked meals, and built clinics for the poor. We've provided free care to 2 million people over 60 years and with your help, we will do more.

THE FACTS

69 %
Residents live on less than \$2 a day.

20 %
