Please extend your gratitude to Karen Isaacs for sharing her musical talent with us in worship this morning.

Pardon our construction While we have moved back into the church for worship, the construction continues. Work will continue throughout much of the summer, while Quimby Organ Company installs our new organ.

Once you've read the report, we invite you to participate in an open comment period from now until July 15th. The Annual Parish Picnic at Prophetstown State Park
The picnic will be held on **Sunday, August 5th** at Prophetstown State Park. Worship will begin at 10:30 a.m. followed by a potluck lunch. Fried chicken and drinks will be provided. Please bring a dish or dessert to share. The picnic will be held at a shelter (near the site of last year's picnic). The entry fee to Prophetstown is \$8 per vehicle with in-state plates. You can pay at the gate or simply tell them you are with the St. John's Parish Picnic, and the church will cover the cost. For more information, contact the church office.

St. John's now has a Hearing Loop Hearing Loops allow people who wear hearing aids to directly receive the sound from the church's PA system in their own hearing aids without having to pick up a separate listening device. The hearing loop system at St. John's enables parishioners with hearing loss to participate fully in the services. If you wear hearing instruments you will need to ask your audiologist to activate your T-coil if available. For more information, talk to your audiologist or visit www.hearingloop.org.

Bradley and Hilary will be away over the next few weeks. Bradley will be on vacation, and Hilary will be at General Convention in Austin, TX. If you have a pastoral need, please contact the church office at stjohns@stjohns-laf.org or 765.742.4079.
