# Activities

## Alien friends

Make your own alien friend from styrofoam balls.

## Art trail

Pick up your trail guide at the Gallery door and explore the art.

## Become the art

Dress up in a costume and have your face painted to become an amazing work of art.

## Chalk garden

We're creating a chalk garden on the netball court. Add a flower, tree, bee or dog to our giant mural.

## Community art project

Create your own paper tile to add to our huge mosaic community art project.

## Cupcake hair

Transform your hair into a delicious style.

## Crazy teacher portraits

Draw or paint a portrait of your teacher dressed up in a crazy outfit.

## Disgusting slime

Follow a special recipe then add your favourite colours to make disgusting slime.

## Fairy and pirates

Make a precious peg fairy or pirate to take home and love.

## Frank Woodley!

Australia's bndiest comedian, Frank Woodley, is built from funny - it's in his bones. Tickets for his 11am show are \$15 - purchase online or at the door.

## Henna tattoos

Decorate your hand with a cool henna tattoo that will wash off in a few days.

## Learn to use a pottery wheel

Have a go at making a bowl on a pottery wheel.

## Magic play dough

Mix up some magic play dough with glitter, sand, dye and other fun ingredients.

## Nature crowns

Create a beautiful crown using flowers and vines.

## Nature play with clay

Get creative with clay, stones, seeds, pods, leaves, flowers and sticks.

## Nebula jars

Make an interstellar cloud in a jar to take home.

## Origami diamond rings

Origami your way to high glamour ... *Darling!*

## Painted planets

Have fun creating new planets with shaving cream and food dye.

## Paint what you hear

Experiment at the easel with paint and sound.

## Robot construction

Use cardboard boxes and other space junk to build your very own robot.

## Skulls, bones and feathers

Practice using different types of paper, pens, chalk and charcoal to make some spooky artworks at this drawing workshop.

## Still life masterpieces

Test your painting skills and see if you can reproduce a vase of flowers or bowl of fruit,

## Stop motion animation

Work in a team to make a stop motion film.
