art project meets fight club meets web commenary meets awesome

This guy has FREE, FREE stickers for anyone interested in taking part in an upcoming exhibition, Printer-esting: One Every Day, at the EFA Project Space in New York City next week.

Instructions are simple.... email your mailing address to stickers[at]evan-roth.com When the stickers arrive in the mail put them up in a location that you find appropriate, take a picture and email him back the photo to the same email address. All photos will be added to a loop on display in the gallery for the length of the exhibition. If you are in NYC you can pick up free stickers at the gallery after Nov. 5th (location listed below), or you can make your own with any of the the following files (.pdf | .png | .eps | .ai). email - stickers[at]evan-roth.com
