The goings-on for this weekend will give you the best kind of chills.

FRIDAY

This weekend [Anthology Film Archives](#) presents a special series, *Sometimes Cities: Urban America Beyond NYC*, a set of documentaries dealing with the plights and promises of often-forgotten metropolises in the United States. Included are films by [Julien Temple](#), James Gaffney, Martin Lucas, Jonathan Miller, Stephen Lighthill, Tom Jarmusch, and Chad Freidrichs.

The Elizabeth Foundation for the Arts Project Space will open *Cultural Transference*, an interdisciplinary show focusing on cross-pollination between contemporary culture and art. These interstices will be plumbed by a talented and diverse group of young artists, including [Pablo Helguera](#), [Christopher K. Ho](#), and [Dread Scott](#).

SATURDAY

CLMP presents the [13th Annual Lit Mag Marathon Weekend](#) kicking off with The Magathon, a marathon reading in which editors will present a wide variety of literary magazines, including your very own BOMB! Other journals will include *6x6*, *A Public*
