### **VERONA, Wis. -**

Wisconsin-based nonprofit Smiles 4 Life is giving area kids access to high-quality dental care, regardless of financial resources.

The organization accepts most types of insurance, including BadgerCare, and has made a pledge to never turn away a child - no matter what.

The organization served 233 students in the Verona Area School District alone last year, and plans to see that number grow, according to a Verona School District release.

Smiles 4 Life operates in 25 Wisconsin counties, including Dane, Dodge, Colombia, Jefferson, Green and Walworth counties.
