

Dental Hygienist, Monroe/Jackson Counties – Part Time

We have an exciting opportunity for a part time Dental Hygienist to join our clinical team. An active Wisconsin Dental Hygiene License is required.

This is an ideal opportunity for someone who is interested in working primarily during the school year.

Job Responsibilities:

1. School Districts are assigned to you within a 60-mile radius of your home.
2. Provide dental screenings, prophylaxis, fluoride varnish applications, and sealants with retention checks.
3. Maintain and house supplies and portable dental equipment. Equipment is very compact and can easily fit into a mid-size vehicle for transportation.
4. Function as the team lead, and provide direction to your Dental Assistant.
5. Ensure charting/paperwork is accurate prior to signing.
6. Communicate with school health staff and parents/guardians when emergent needs are identified.
7. Build relationships with key staff in your assigned schools i.e. principals, nurses, social workers.
8. Provide dental health education and presentations in a classroom setting.
9. Attend back to school events to support promotion of the program.

Qualifications:

- An active Wisconsin Dental Hygiene License is required.
- Strong clinical skills.
- Customer service experience.
- Exceptional communication skills.
- Ability to interact with many personality types.
- Demonstrate organizational skills and the ability to multitask.
- Comfortable speaking with public/children.
