

Durapol

Coloured EPDM Granules

Premium EPDM: made in Australia for the Australian climate

Product Features

Made in Australia	The only EPDM softfall manufactured in Australia
Superior Pigments	24 vibrant colours with lightfastness ratings between 6 and 8
High Wearing	Specifically reinforced for swing pads and high-wear areas
High polymer content	28% polymer to withstand Australia's unique ultra-violet loads
Verified Performance	21 years of actual playgrounds across the continent
Smaller Granule Size	0.5 – 4mm to reduce gravel rash and surface cracking
Warranty Period	Industry leading warranty periods of 3 and 5 years
Outstanding Value	2 grades of product to provide tailored level of performance

Consistently vibrant colour.
Small production runs for
heightened quality control

Irregular granule profile
for maximum compaction

High polymer content
leads to a lighter,
more resilient granule

Stable compound:
no whitening or
chalking over time.
