The Business Newspaper of Metro Grand Rapids, Holland, Muskegon & West Michigan writes a full page article on how CIC Benefit Consulting Group is saving millions for Michigan businesses in healthcare costs.

## ✓ Patient Advocacy

"[CICBCG]unwinds these bills they shouldn't be getting in the first place...saving \$3 million in mis-billed medical claims, just in the last three years alone."

## ✓ Tele-Medicine

"CICBCG reduces utilization some 40-60% for Office Visit and ER visits without reducing outcomes."

## ✓ A2CT

"...[CICBCG] educates its clients' employees to understand the potential alternatives, because if a number of clinics or hospitals can do it, it might cost less than where the doctor is referring them."

"[CICBCG] shops the market and will find, sometimes, a **\$2,000 to \$3,000 price difference** for the exact same test."
