About Passaic County CASA:

Passaic County CASA is part of a statewide network of community-based, non-profit organizations that recruit, screen, train, and supervise volunteers to "Speak Up for a Child" removed from home due to abuse or neglect. CASA is the only program in New Jersey that works one-on-one with an abused or neglected child, advocating for his or her best interests and working towards achieving permanency in a safe, nurturing home as soon as possible. Our vision is that each child will have a safe and loving home.
