How to play:
1. Print the sheets and cut the exercises out into individual strips.
2. Fold the exercises in half and place them in a box. (Add them to your original Songbird Warm-Up Game)
3. Have your student reach into the box and pick an exercise to sing (or speak).
4. Challenge students with dynamics, movement, listening, tempo, and singing exercises unaccompanied.
5. Most importantly - HAVE FUN!
