WEDNESDAY, SEPTEMBER 13

Following Fellowship Meal

From the Desk of Andy Jung...

With the transitions in our staff over the past month, the Personnel Committee has created a Children's Intern position to help lead the education of our children during Children's Worship and on Wednesday nights. Over the last several weeks, we have looked to fill this position. I am happy to introduce you to Scottie Chambers.

Please welcome him into our church family.

My name is Scottie Chambers. I was born in Winchester, Virginia and grew up in Charlottesville, Virginia. I am the son of Ernest and Christina Chambers and the brother of Jordan Chambers. I am a junior at Pfeiffer

University studying exercise

science with the overall goal of being a physical therapist. I played basketball my freshman year and volleyball my sophomore year.

Some of my interests include spreading the gospel, biking (Road, mountain and bmx), hiking, building computers, building drones, videography, photography, video games, and meeting new people. I also play the violin and I'm learning to play the guitar.

God has taken me to many places but the most recent opportunity to travel was this summer. I had the opportunity to travel through Europe and spread the message of the gospel with Fellowship of Christian Athletes. I went to Italy, Germany, Romania, Hungary, and Malta. Traveling the world was a great experience but what God was doing in me was even greater. God taught me how much joy I experience when working with children of all ages but mostly primary school kids.

Thank you so much for allowing me to join your church and serve. I look forward to getting to know each of you.

This Sunday, we will begin a new series on *Faith*

& Wellness. We will begin with how we should care for our souls. We will also have the joy of sharing communion with one another during worship. See you on Sunday!
