Words From the Pastor

As many of you know, I spent the last two weeks in Texas. During the first week, I attended the Cooperative Baptist Fellowship (CBF) General Assembly in Dallas. It was a wonderful week of learning, reconnecting with old friends and making new ones. CBF is doing some wonderful work in areas of missions, advocacy and development of young leaders. Though CBF is not without its warts and shortcomings, it is doing kingdom work all over the world.

After CBF General Assembly, Amy and I had a chance to spend a week traveling around Texas, connecting with former students and just generally being tourists. We had a great time visiting places we've never been and eating our share of Tex-Mex and Texas BBQ! It was refreshing just simply being away from the normal day-to-day activities.

As a pastor, I've learned that there is never the right time to be away. During the time I was gone, we had church members lose loved ones, people in the hospital, those who were recovering from surgeries and more. Ministry is never-ending and seems to never work on my schedule!

However, I was also reminded that caring for the church is not done by one person. While I was in Texas, Rev. Jacob Waldrip had to step in and shoulder some of the responsibilities. In addition, our Faith Community Nurses continued to care for those who are sick or recovering from recent surgeries. Finally, many of you continued to care for families, visit the homebound and serve those who are grieving.

Thank you for being the Church. Thank you for caring for one another and making sure needs are met. Not every pastor has the luxury of knowing everything is in good hands while being away.

As we head into July, I know many of you will be traveling as I have. I hope you will enjoy the time with family and friends. It is a gift to be able to travel and spend time with the people we love. Remember God is with you wherever you are. On the Sundays you are in town, I hope you will make an effort to join us for Sunday School and worship. You can also watch a replay of the worship on the church website or through the church's Facebook page. I also hope you will remain faithful in your giving during the summer months. If you are out of town, remember you can give either by mailing your gift to the church or by giving online through the church's website.

This Sunday, we will honor our nation as we celebrate our Independence Day and worship our Lord and Savior. We will continue with *The Life I Want to Live* series by looking at what Jesus meant when he said, "Those who love their life lose it, and those who hate their life in this world will keep it for eternal life." (John 12:25) See you on Sunday!

Discover how God used an Operation Christmas Child shoebox in my life...

OCC Recipient Speaker

Date: Sunday, July 15th, 2018

Time: 11:00 am

Place: First Baptist Church Albemarle

Join us for an OCC kickoff to our 2018 OCC season. Hear an amazing shoebox recipient speaker, Yuliya, who will share how a shoebox impacted her life.

Yuliya Shubina received a shoebox gift in Central Asia that connected her to a caring friend halfway around the world and was one of the seeds that brought her to faith in Christ. Yuliya's father brought her a shoebox gift from missionaries who were distributing the gifts to local children. There were many gifts inside, including a letter from the girl who had packed the shoebox. Yuliya and the girl exchanged letters for many years afterward, and when Yuliya came to the United States to finish high school, she was able to meet her pen pal in person. Today Yuliya serves with Operation Christmas Child to tell the story of God's faithfulness in her life. To hear more about what the Lord has done in her life, please join us for a special time of Yuliya sharing her testimony.

Family Ministry News

In just two weeks, a group of 12 students and 6 youth leaders will be taking off on a weeklong mission experience in Washington, D.C. We are going to Passport MissionBase! We'll be staying at FBC Washington, DC. That week we'll have opportunities to engage in both practical service opportunities through food banks and other community ministries, as well as learn about the systemic issues that create the need for those ministries. When we participate in mission experiences as a student ministry, our hope is that we are able to partner in a helpful way with organizations doing good work on the ground in their communities, while also learning something about ourselves as image-bearers, and about the things that create the need for practical ministry. The hope is that we can take some of the knowledge that we gain through these experiences and participate in the ongoing work of bringing the Kingdom of God here in Albemarle. I ask that you pray for our students and youth leaders over these next few weeks — that through this mission experience, we would be of practical help to the DC community and that we would learn practical steps we can take in our community here at home! Thank you!

Jacob
