

KRISTA AYNE HEALTH COACH

DISCLAIMER

The Client understands that the role of the Health Coach is not to prescribe or assess micro- and macro-nutrient levels; provide health care, medical or nutrition therapy services; or to diagnose, treat or cure any disease, condition or other physical or mental ailment of the human body. Rather, the Coach is a mentor and guide who has been trained in holistic health coaching to help clients reach their own health goals by helping clients devise and implement positive, sustainable lifestyle changes. The Client understands that the Coach is not acting in the capacity of a doctor, licensed dietician-nutritionist, psychologist or other licensed or registered professional, and that any advice given by the Coach is not meant to take the place of advice by these professionals. If the Client is under the care of a health care professional or currently uses prescription medications, the Client should discuss any dietary changes or potential dietary supplements use with his or her doctor, and should not discontinue any prescription medications without first consulting his or her doctor.

The Client has chosen to work with the Coach and understands that the information received should not be seen as medical or nursing advice and is not meant to take the place of seeing licensed health professionals.
